

Bell Zone of Choice

Because of where you live, your child can go to a school in the Zones of Choice next year. To help you choose, we want to share some information. Each year, we look at state test scores to see how much students are improving. This improvement is part of a school measure called **Achievement Growth**.

Achievement Growth (AG) Achievement Growth (AG) shows how much a school helps students improve their test scores over time. A higher AG means the school is especially effective at helping students grow in core subjects like math and reading.

We hope you use this information when choosing the right school for your student.

Bell Zona de Opción

Debido a dónde vive, su hijo puede asistir a una escuela en las Zonas de Opción el próximo año. Para ayudarlo a elegir, queremos compartirle información. Cada año, vemos los resultados de los exámenes estatales para saber cuánto están mejorando los estudiantes. Esta mejora forma parte de una medida escolar llamada **Crecimiento de Logros Académicos**.

El **Crecimiento de Logros Académicos (CLA)** muestra cuánto logra una escuela que sus estudiantes mejoren sus puntajes en los exámenes con el paso del tiempo. Un CLA más alto significa que la escuela es especialmente efectiva para ayudar a los estudiantes a avanzar en materias clave como matemáticas y lectura.

Esperamos que esta información le ayude a elegir la escuela adecuada para su hijo o hija.
